ANOTHER BIG BONUS

OFFER MADE
THIS WEEK.

Workers In The Big Prize Com-
petition are Offered 9,000 Extra
Votes on Every Dollar's Worth
of New Subscriptions and 8,000
Extra Votes on Old Subscrip-
tions—While Not as Large as
the Previous Offer, Votes Will
Count Up Very Rapidly Under
This Schedule.

STILL TIME TO ENTER.

Get Busy To-Day—Special In-
ducement For New Contestants
in Millersburg and North Mid-
dletown—No Better Opportu-
nity Can be Found to Win a
Prize Than In These Two
Towns.

Well, good people, here are two more
mammoth vote inducements for the
forthcoming ten days in the Bourbon
News big prize competition and let me
tell you THERE WILL BE NO BET-
TER OFFERS MADE AT ANY FUTURE
TIME DURING THE CON-
TEST. Take a tip from the campaign
manager and get in on them. While
these big offers are not quite as large
as the one which came to a close last
Tuesday night, nevertheless, under
these schedules, your votes will count
up very rapidly.

HERE ARE THE OFFERS.

The campaign manager will give
9,000 extra votes in addition to the
usual number, on every dollar's worth
of NEW SUBSCRIPTIONS turned in to
the News office before Monday, No-
vember 18 at 9 p.m. and 8,000 Extra
Votes on every dollar's worth of old
subscriptions turned in before the
above mentioned time. This means
that you get 1,000 more votes on every
dollar's worth of new subscriptions
than you do on old so that every candi-
date will show good judgment in go-
ing after the New Subscriptions.
Keep up an active, vigorous campaign
for new readers of the News; don't
let any of the new ones get away from
you for that extra thousand votes on
each dollar may come in right handy
at the end. We want new subscrip-
tions especially but of course don't
neglect the old subscribers for many of
them will be glad to help you if you
will only ask.

Another field that candidates should
make an active effort to cover during
the next ten days is Millersburg and
North Middletown. So far we have
no really active candidates in either
of these towns and there is an unusually
good opportunity for candidates from
there to start in right now and pick up
a prize very easily. As a special in-
ducement for new candidates to start
in this field, we will give 9,000 extra
votes on both OLD AND NEW SUB-
SCRIPTIONS secured in Millersburg
or North Middletown between now and
the 18th of November. Thus you se-
cure the same number of votes on old
subscriptions here as you do on new
subscriptions. So try and see all your
friends in these two towns before the
18th.

Gibson on a charge of violating the

J. Redmon in North Middletown, and
each assessed a fine of \$20 and costs.
These are the first arrests and convic-
tions in this county for violations of
the new Kentucky game laws.

Many Watch Election Returns.

Tuesday evening from the time the
first returns of the election were re-
ceived and flashed upon the canvas in
front of the store of Mayor J. T. Hinton,
hundreds thronged the streets until
the results indicated the election of
Wilson and Marshall, and many re-
mained late in the night.

Mayor Hinton, who has been untir-
ing in his efforts toward the Demo-
cratic nominees, made arrangements
to receive the returns, which were
 flashed on a screen on the old Baptist
church property.

The returns were received over the
wires of the Western Union Telegraph
Co., and Mr. John McDermott, the ac-
commodating and efficient manager,
with his corps of assistants, is to be
congratulated on the quick and accu-
rate service rendered the public in get-
ting the returns from all parts of the
country and handling the numerous
bulletins.

DEMOCRATS SWEEP THE NATION.

Wilson and Marshall Will Receive
More Than 384 Votes In
Electoral College.

SOLID SOUTH JOINS EAST.

Returns Indicate That Senate and
House Will Be In Line With
Administration.

WOODROW WILSON.

Born at Staunton, Va., December 28, 1856.
Graduated from Princeton College 1879.
Graduated from the law department of the University of Virginia 1882.
Practice law at Atlanta 1883.
Married Helen Louise Axson, of Savannah, 1885.
Became professor of political economy at Wesleyan University 1888.
Became professor of jurisprudence and politics at Princeton 1890.
Became president of Princeton University 1902.
Elected Governor of New Jersey on the Democratic ticket 1911.
Received Democratic nomination for President of the United States, 1912.
Author of numerous works on political economy and American history.
Elected President of the United States November 5, 1912.

In the national elections Tuesday Wilson and Marshall, the Democratic candidates, were elected by what appears to be sweeping popular majority in the nation and an electoral vote of 384, with the probability that the later returns will increase this vote.

Before midnight Tuesday President Taft and former President Roosevelt had conceded the election of Wilson and Marshall, and the successful candidates were being overwhelmed with congratulations from leading men of the country.

The Solid South and an almost solid East joined their halloos for the Democratic party. Kentucky, Indiana, West Virginia, New York, New Jersey, Delaware, Maine, West Virginia and Missouri were the first States to register for the Democratic ticket. Indications are that the Senate will be safely Democratic and the House is overwhelmingly in line with the new administration.

KENTUCKY.
Sweeping all opposition before them, the Democrats of Kentucky rolled up an enormous plurality for Wilson and Marshall, elected nine out of eleven Congressmen, and carried the State by a handsome majority over both opponents of the Democratic presidential nominees. With practically complete returns from more than eighty out of 120 counties, Wilson has a plurality of over 5,000 votes, and indications are that fuller returns will show a plurality of over 100,000 votes.

The victory was the most complete in the history of political warfare in Kentucky. Counties never before known to go other than Republican were swept into the Democratic column, record pluralities were equalled and then doubled, and the climax was reached when such counties as Laurel, one of the banner Republican strong-

holds of the rock-ribbed Eleventh district, and Ohio, the biggest Republican county in the Fourth district, cast more votes for Wilson than for either Taft or Roosevelt.

The fight for second place in Kentucky was close, with a great lead over Taft in Louisville, the Roosevelt followers confidently counted on running second, but the Bull Mooseers fell away badly in the State and apparently will be third when the complete returns are totaled.

There were no surprises in the congressional races. The Democratic candidates won easily in the first nine districts, while Congressman Langley seems to have a safe lead over his Bull Moose opponent in the Tenth, and Caleb Powers appears to have been returned a winner over Ben V. Smith, the Democrat, and H. H. Seavy, Progressive, in the Eleventh. The congressional delegation from Kentucky will be as follows:

First District—A. W. Barkley, Democrat.
Second District—A. O. Stanley, Democrat.
Third District—R. Y. Thomas, Democrat.
Fourth District—Ben Johnson, Democrat.
Fifth District—Swager Sherley, Democrat.
Sixth District—A. B. Rouse, Democrat.
Seventh District—J. Campbell Cantrell, Democrat.
Eighth District—Harvey Helm, Democrat.
Ninth District—W. J. Fields, Democrat.
Tenth District—John W. Langley, Republican.
Eleventh District—Caleb Powers, Republican.

NEW YORK.

Woodrow Wilson won the electoral vote of New York with the largest majority since 1892. William Sulzer, Democrat, was elected Governor. Both the presidential and gubernatorial candidates will receive a plurality of at least 150,000. Taft ran second in New York and the one great surprise was the small vote received by Theodore Roosevelt.

INDIANA.

Indiana gave the Democratic presidential candidate the largest plurality since 1892. The Democratic National and State ticket swept the Republicans off their feet. Kalston, Democrat, was elected Governor.

WEST VIRGINIA.

Woodrow Wilson swept the State by the largest majority ever accorded a Democratic presidential candidate. Sutherland, Democratic candidate, will carry the state for Governor by 25,000. Four Republicans and two Democrats will be sent to the lower house of Congress.

WISCONSIN.

Wisconsin went Democratic for the second time since 1856.

NEW JERSEY.

The home state of Governor Wilson, which was placed in the doubtful column, gave its native son a small majority.

OHIO.

Ohio gave its full electoral vote to the Democratic nominees. The plurality achieved by Wilson is stupendous in its proportions. James M. Cox was elected Governor together with the full Democratic ticket.

DAKOTAS.

The two Dakotas are still in the doubtful column but incomplete returns indicate a close race between Wilson and Roosevelt.

NEBRASKA.

Nebraska, which gave Bryan pluralities in 1896 and 1898 is Wilson's. Wilson will carry the state by a larger plurality than did Bryan.

DELAWARE.

Delaware with its three votes fell into the Wilson column. For sixteen years it has sent Republicans to the electoral college.

MASSACHUSETTS.

Wilson carried Massachusetts for the first time in its history.

KANSAS.

Indications are that Roosevelt will carry Kansas by a plurality of 15,000.

TEXAS.

Returns indicate that Texas gave a majority of 175,000 for the Democratic nominees.

ARIZONA.

Arizona celebrated its first election Tuesday by giving the State to Wilson by 5,000 majority.

CALIFORNIA.

Supporting figures indicate Wilson will carry the state by 50,000 while the Wilson managers are claiming it by 10,000.

NEW HAMPSHIRE.

Governor Wilson may carry the state of New Hampshire by a small majority.

MISSOURI.

Missouri will give its 18 electoral votes to Wilson. Major, Democrat, elected Governor.

UTAH.

President Taft carried the state by a small plurality.

OKLAHOMA.

Oklahoma landed in the Wilson column by a plurality of 30,000.

VERMONT.

President Taft carried the State by a slender margin.

CONNECTICUT.

The state gave Wilson a plurality. Indications are that Baldwin, Democrat, is elected Governor.

SOUTH CAROLINA.

South Carolina gave Wilson a majority of 50,000 over both his opponents.

VIRGINIA.

Wilson carried the state by 35,000 over Roosevelt and Taft combined. Ten congressmen were elected.

ILLINOIS.

The state gave Roosevelt a majority of 60,000.

ALABAMA.

Alabama rolled up an excellent majority for the Democratic candidates.

ARKANSAS.

Wilson carried Arkansas by a majority in excess of 60,000. Roosevelt was second.

A BLOOD MEDICINE WITHOUT ALCOHOL.

Recently it has been definitely proven by experiments on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs. Disease germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric extract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and Stone root, has been extensively sold by druggists for the past forty years as Dr. Pierce's Golden Medical Discovery. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives life to the blood—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERNATIVE EXTRACT of roots, without a particle of alcohol or narcotic.

"It is with the greatest of pleasure, that I write to let you know of the great benefit I received from the use of your medicines and treatment at home," writes Mrs. Wm. H. Hays of Lafayette, La. "I suffered for three years from a running sore. Consulted four doctors they failed to mend or give relief. Finally I was told I was in consumption and would have to consult a specialist concerning my ear, that the dead bone must be cut out before the wound would heal. A kind friend advised me to write to Dr. Pierce, which I did, and after seven weeks' use of the treatment the sore is healed, and I enjoy better health than ever did. I dressed the wound with Dr. Pierce's All-Healing Ointment and took the 'Golden Medical Discovery' and 'Pleasant Pellets' for my troubles. I shall always recommend your medicines."

Mrs. Hays.

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

There could be no better medicine than Chamberlain's Cough Remedy. My children were all sick with whooping cough. One of them was in bed, had a high fever and was coughing up blood. Queer Catch From the Sea.

One of the queerest deep sea creatures ever seen in the vicinity was brought in a few days ago by a fisherman of Venice, Cal. It is two feet in length, black and green mottled, with a tall like that of a shark. It has a dorsal fin and four feet, shaped like those of a parrot. Its mouth resembles that of a Gila monster, while its head is a replica on a large scale of that of a California horned toad.

Jane Austen Unpopular.

It has been pointed out with some surprise that the late W. S. Gilbert had a strong dislike for Jane Austen, but a correspondent of the New York Evening Post reminds us that Mark Twain had a similar antipathy. He said once that "a library that does not contain Jane Austen's works is a good library, even if it hasn't another book in it."

Bible Was Put Into Rhyme.

Versifications, not only of the Psalms but of the other books of the Bible, were numerous in the sixteenth century. One of the most prolific versifiers was William Hunsley, who, under such fanciful titles as "Seven Sobs of a Sorrowful Soul for Sin," "A Handful of Honey-suckles," "A Hivful of Honey," etc., published a number of rhyming versions of Genesis and Job, which are now worth their weight in gold to the bibliomaniac.

COUNTY GOES FOR WILSON.

Plurality Over Taft Is 613, While City Returns 274 In Favor of Democrats.

"MOOSE" IS A POOR THIRD.

Perfect Organization in County sults In Great Victory In Bourbon.

The election in Paris Tuesday passed off quietly and resulted in a sweeping victory for Wilson and Marshall. The total vote of Wilson in the county was 2,364, President Taft received 1,751, and Roosevelt 419. Wilson's majority over Roosevelt was 1,945.

The result was fully up to the expectations of the local campaign managers. The false reports sent out by the Republicans to the farmers to the effect that if the power of government was taken from the party in office that dire calamity would befall the country had the effect of keeping a large majority away from the polls but in the face of this report and considering there were three candidates in the field, the victory in Bourbon was gratifying.

Wilson's plurality over Taft was 613 in the county. In the city the Democratic candidate received a total of 823 votes, while Taft received 449 and Roosevelt 167. Wilson's plurality in the city over Taft was 374 while his majority over both Taft and Roosevelt was 207.

Mayor J. T. Hinton, chairman of the Bourbon County Campaign Committee, who has been untiring in his efforts since the opening of the campaign, had the situation well under control and with the aid of an efficient corps of assistants rolled up the excellent majority for the Democratic candidates.

For Neatness in Clothing.

London has adopted a French industry which aims at neatness. It is that of the "stoppeur." The word refers to the art of mending clothes. In Paris the "stoppeur" is well and favorably known. Supposing a gentleman tears his coat or burns a hole with his cigarette in his trousers, the garment is conveyed to the "stoppeur," who in some mysterious way reconstructs the material. In some way they seem to weave in the stuff, joining up threads of a bit of cloth cut from another part.

In the annual meeting of the Kentucky State Grand Chapter of the Order of the Eastern Star at Hopkinsville recently, Mrs. Linda Benton, of Millersburg, was made Grand Arder. Mrs. Benton is one of the most popular and prominent Eastern Star workers in Central Kentucky. She came here only a few months ago and is separated from her local Lodge at Broadhead. But her zeal in the work still continues and we know no reason why she should not organize our Masonic ladies into an Eastern Star Lodge. She is brilliant and accomplished and thoroughly conversant on the work.

Another Millersburg couple surprised their friends by marrying in Lexington Wednesday afternoon. Miss Maria Smith and Mr. James H. Burroughs were united in marriage Wednesday afternoon at the home of Elder Mark Collis in Fayette Park, Lexington. While it was generally known this attractive young couple were sweethearts and would be married some time in the fall, it came in the nature of a surprise, inasmuch as many thought it would not be for several weeks. Miss Smith is a lovely and accomplished young lady and a niece of Mr. and Mrs. V. L. Barton, with whom she resided. She is a graduate of the K. F. O. S. and is a young lady of many accomplishments. Mr. Burroughs is a prominent young business man, holding the position of teller in the Farmers Bank at this place. He is a son of Mr. and Mrs. W. M. Burroughs and belongs to one of the prominent families of Kentucky. He is a graduate of State University and is at present the Superintendent of the Sunday School at the Christian church. He is a young man of rare business qualifications. He is also past master of Amity Lodge No. 40 F. and A. M. You Want the Best—Not the Cheapest

Flanders "20" Roadster, \$750

Don't be alarmed if somebody tells you you can buy an automobile for less money than the \$750 Studebaker-Flanders "20." You can, but you better not. The Flanders "20" corresponds point by point with the best and highest priced cars sold. Cheaper cars at every vital point are built on ideas long ago discarded for good cars. Don't take our word for it. Make comparisons and see.

The Studebaker-Flanders "20" is a marvel—a high grade modern car at a low price. If you pay less you buy much less. And the cheaper car today will cost you far more in the long run. The competing car isn't sold which the Studebaker Corporation, the greatest automobile manufacturers in the world, couldn't reproduce for less money; but we won't build a cheap car, because the name "Studebaker" means the best for your money.

If you are content with a car that runs today and dies tomorrow, don't buy the \$750 Flanders "20." It will wear for years. Remember this—the Studebaker-Flanders "20" will outwear 2 to 1 any other car under \$1100 and give you double satisfaction, confidence and comfort into the bargain.

—One of the most delightful social functions of the autumnal season was the tea given Wednesday afternoon by Mrs. Rudolph Davis at her attractive home on Twelfth street.

The house, which is one of the most beautifully finished and furnished in the city, was darkened and softly lighted by shaded electric bulbs and white candles, and was artistically decorated with brilliantly tinted autumn leaves, growing plants, and clusters of large yellow and white chrysanthemums.

Before descending to the parlor from the dressing rooms, the guests were served with tea and wafers in a beautifully appointed room, by Miss Josephine Gardner, Miss Janie Marsh and Mrs. C. B. McShane.

The hostess, wearing a lovely white evening gown with pearl ornaments, received her guests in the reception hall, assisted by Mrs. Davis Weeks, a charming young bride of the family, gowned in pink messaline with crystal trimmings.

Mrs. Davis was ably assisted in entertaining by Mrs. Chas. N. Fithian and Mrs. Robert Lee Frank, each dressed in an exquisite white evening gown. Mrs. W. H. Harris, wearing white with black trimmings, conducted the ladies to the dining room, which was lovely with its handsome mahogany furnishings and artistic decorations.

A handsome electrolier, softly shaded, was suspended from the ceiling over the circular table, which was covered with a lace cloth, and for a centerpiece had a tall vase of yellow and white chrysanthemums tied with a bow of tulle. Crystal candelabra holding white shaded candles, and cut glass dishes of nuts and yellow and white mints were arrayed on the cloth. After the luncheon, consisting of chicken salad, beaten biscuit, sandwiches, cheese balls on ice, nuts and mints was served in faultless style, Mrs. Thorneill Tadlock and Miss Owens looking after the comfort of the guests.

During the afternoon lovely music on violin and piano was furnished by Professor Bruce Reynolds and Miss Parker, of Lexington, which added greatly to the enjoyment of the occasion. A large number of ladies accepted the cordial invitation of the gracious hostess, and all thoroughly enjoyed her charming hospitality.

An unusually excellent program was enjoyed by the large number of members present at the meeting of the Progressive Culture Club Wednesday afternoon. The program consisted of an excellent paper on "Rio de Janeiro," by Miss Leila Clark, an interesting talk on "Panama," by Mrs. Albert Hinton, and five papers on "Life in the Canal Zone," by Mrs. Duncan

Bell, and "Columbia" by Mrs. Amos Turney.

After the Progressive Culture Club adjourned the Parliamentary Club held a meeting in the club room of the former club at Elks Hall. Mrs. Walter Payne, chairman of the Constitution Committee, presented the constitution and bylaws and they were adopted with very slight changes. The club will meet next Wednesday at 3:45 and thereafter will meet only on alternate Wednesdays.

THEATRICAL.

"THE COUNTY SHERIFF."

No author of recent years has written more successful plays than has Lem B. Parker, author of the new "County Sheriff." As usual, he has combined the many sparkling dramatic scenes with plenty of good, clean, witty comedy, the kind that all enjoy. Among some of his most successful plays may be mentioned "The Phantom Detective," "Dora Thorne," and a score of others, but in not one of these has he so happily blended the many intense dramatic and amusing situations together with the story of human interest as in his latest play, "The County Sheriff," which will be presented with a large and capable cast and a complete scenic production at the Paris Grand on Friday, November 15.

Prognostics.
 The Cincinnati Scimitar's financial editor writes: "The dental profession is looking down in the mouth. With the scavenger, however, everything is picking up. The steeplejack's business, if he is not careful, will be falling off. In the automobile and railroad line everything is running down. The sausage and scrapple trade is on the pig. With the astronomer, however, things are looking up."

Helps a Judge in Bad Fix.
 Justice Eli Cherry, of Gillis Mills, Tenn., was plainly worried. A bad sore on his leg had baffled several doctors and long resisted all remedies. "I thought it was a cancer," he wrote. "At last I used Bucklen's Arnica Salve and was completely cured." Cures burns, boils, ulcers, cuts, bruises and piles. 25 cents at Oberdorfer's.

Squirrels' Instinctive Gift.
 Squirrels, it is said, know how to judge distances accurately, for they seldom jump two distances alike, yet never fail to land safely when an inch too far or too short would mean disaster. And dogs run along beside horses' heels, judging accurately the safe distance, and are seldom, if ever, injured.

ANOTHER BIG BONUS

OFFER MADE

THIS WEEK.

A number of the contestants have asked the campaign manager if they could only secure votes and subscriptions in their own district. This is a mistaken idea. Votes and subscriptions may be secured from anybody, anywhere that we can send the paper at the regular newspaper mail rate. If you have a friend in some other district, some other county, or some other state, go after him by letter, telephone or in person and get his subscription. Don't let any of them escape you. Keep up an active campaign from now until the end. After the contest is over, you will probably be able to think of a great many places where you might have secured a subscription if you had only gone after it. Don't let this happen. Think of the possible prospects now. Now is the time you need them most. Just remember there is a handsome Studebaker Five Passenger Touring Car at the Bourbon Garage or the choice of several handsome prizes at Shire & Fithian's that you might just as well have. They are there waiting for owners and you might just as well be one of the lucky ones if you will only get busy now.

Following are the schedules of votes on both old and new subscriptions between now and the 18th of November. This schedule includes the 9,000 extra votes on new subscriptions, and the 8,000 votes on old subscriptions.

Insurance Suit Involves Big Sum.

A million or two million dollars, it is believed, is involved in the outcome of an agreed suit soon to be filed in the Franklin Circuit Court by the Metropolitan Insurance Company against the State Insurance Department to enjoin it from collecting data concerning former policy holders in the old Sun Life Insurance Company.

The Sun company, which was merged into the Metropolitan, did an industrial insurance business, and had thousands of policy holders in this State. The law governing the operations of these companies provides for a participating policy, nonforfeitable after five years with a cash surrender value. The law provides that its terms cannot be waived by any stipulation in the policy or contract with the insured. The purpose was to protect the rights of the class of people who take out small policies on weekly payments. It is said that the Metropolitan, which does a big industrial business, has absorbed twenty-seven such companies in the United States.

It is claimed that a considerable portion of the policies lapsed before becoming due, and it is alleged by the State that many of the Sun company's policies lapsed after they had been paid for five years, and thereby became incontestable with a cash surrender value, which liability, the department claims, has been transferred to the Metropolitan.

For several months representatives of the insurance department have been in New York collecting information about the policy holders in the Sun company. The Metropolitan, it is reported, agreed to publish a list of the policies which had been paid up for five years by their numbers, and pay them as claims were presented. To this the department declined to agree, but did consent that the company should file an injunction on an agreed statement of facts to test the right of the department to take a list of the claimants with the evidence from the books of the company.

Ancients Knew of Elevators.

That the ancient Romans knew how to work lifts is the latest discovery reported from Rome in connection with the Palatine excavations. Pre-Roman remains have been found, including 12 ancient lifts. One of the latter, which descends into the earliest known city, is now being cleaned and put into working order for the Archaeological Congress.

Wonderful Power of Love.

He who has a pure and unselfish love for any one being in the universe has thereby a new life, new powers, new possibilities, and new perceptions of all; and the very universe itself is a new universe to him, as viewed from his new center of love and light.—H. Clay Trumbull.

Enlightened Statesmanship.

The story goes that Java was lost to the British crown through geographical ignorance. When the British were negotiating with the Dutch early in the last century, a trembling secretary pointed out to Lord Liverpool that the Dutch claimed the island of Java. "Java, where is Java? Let 'em have it," roared his lordship.

Conversation During Meals.

The world long ago was forced to admit the important relationship between mind and matter, and when one is occupied by matter—eating food—the mind should also be brought into play. Say something bright. Pay a few compliments, tell a bright anecdote, chat of the pleasant and lighter things in life during all your meals.

Profit in Travel.

It is worth while to journey, to learn how deceptive is that mirage which forms itself out of distance and nothingness; how good is the land about us, and the life that requires no translation to be understood.—N. S. Shaler.

Tribute to American Sailor.

By all who know him, it is conceded that the American sailor is a clean and thorough athlete. He takes a deep interest in anything he tackles, and so, to make his athletic endeavors correspond with his otherwise high standing, he goes in for clean work, and if he wins he is modest and if he loses he is the first to congratulate the winner.

will be allowed to poll more than a sufficient number of votes to place their standing 10,000 votes in advance of the leader of the preceding issue. For instance, if A had 14,975 votes in today's issue, you would be allowed enough to place your standing 50,995 votes in the next issue. As many subscriptions as you wish may be turned in and vote ballots will be issued and returned to you.

MATRIMONIAL.

MORRIS-SCOTT.

The marriage of Miss Lucille Talbott Morris, daughter of Mr. and Mrs. J. C. Morris, formerly of this county, to Mr. Leslie Thomas Scott, of New York, was celebrated Wednesday afternoon at the First Methodist church in Lexington. The church was beautifully decorated with palms and ferns.

Before the ceremony Miss Mildred Lewis gave at the organ a delightful musical program, assisted by Mrs. George Chowning, of Shelbyville, who sang the marriage hymn, "O, Perfect Love."

To the strains of the bridal march from Lohengrin the wedding party entered, the ushers, Messrs. Chester Jouett, of Cynthiana, Franklin Williams, of Frankfort, William Dunn and W. E. Nichols, of Lexington, walked by two down the side aisles of the church and the bridegroom, escorted by her father, advanced along the left aisle and joining the group the couple stood before the waiting minister, Rev. Ophel Crockett, of Nicholasville, for the marriage service, plighting their troth with a ring, "Melody of Love" being the soft, low organ accompaniment.

The bride, who is a charming young lady and well known in Paris, wore a brown corded velvet gown trimmed in Venetian lace, a brown hat with orange ostrich plumes and carried yellow crysanthemums.

After the ceremony the bride and bridegroom left for Cincinnati, thence to Eastern points and will be at home in New York after December 1.

Mr. and Mrs. Morris entertained at their home in Lexington with a delightful supper party following the rehearsal at the church.

FRANK-BROWNING.

The marriage of Miss Helen Frank to Mr. Milton Culp Browning was celebrated Wednesday evening at 7:30 o'clock at the elegant family home on Broadway and High streets. Owing to a recent bereavement in the family of the bride the wedding was very quiet, but beautiful in all its details. Rev. W. E. Ellis, of the Christian church, was the officiating minister, and the wedding music was played by Mrs. Minnie Muth Miller, of Nashville, Tenn.

Only the immediate members of the family witnessed the ceremony, together with a few of the bride's closest and most intimate friends. At the appointed time the bridal chorus from Lohengrin, played on the piano by Mrs. Miller, announced the approach of the wedding party. The bride entered the parlor on the arm of her brother, Mr. B. A. Frank, who gave her in marriage, and they were joined by the bridegroom and Mrs. Buckner Woodford, Jr. The party grouped in the folding doorway between the parlors, while the ceremony was performed by Rev. Mr. Ellis in a solemn and impressive manner.

The bride was charming and gracefully gowned in her bridal robe of clinging white crepe trimmed in real lace, and her bridal veil was becomingly arranged as a Dutch bonnet. She is the daughter of the late Mr. and Mrs. Louis Frank, of this city, and is a young woman of unusual attractiveness, is noted for her beauty and lovely disposition, and which have won for her the admiration of all who know her and has made her a social favorite.

The bridegroom, who is a former resident of Versailles, now lives in Cleveland, O., where he is a prosperous young business man. He is very popular and is in every way worthy of the charming bride whose affection he has won.

After the ceremony and congratulations the guests were served with ice in candy baskets, when the wedding party left for their wedding trip in the East, and when they return will reside in Cleveland.

Among the out of town relatives who attended the wedding were Mr. and Mrs. Browning, of Versailles, parents of the groom, and sister, Miss Browning, of Louisville; Mrs. I. W. Miller, of Nashville, Tenn., cousin of the bride; Dr. Louis Frank and family, of Louisville; Dr. Ben Frank and Mr. Jack Fitzgerald, of New York City.

BOAZ-JONES.

—Miss Gertrude Boaz and Mr. James Jones, both of this city, were united in marriage yesterday afternoon at 2:30 o'clock, at the home of the officiating minister, Rev. W. E. Ellis, on Twelfth street. The bride is a very attractive young lady, daughter of Mr. D. T. Boaz, and the groom is an industrious young man in the employ of Mr. J. U. Boardman.

FREDERICK-ROSE.

—Miss Lillie, Frederick and Mr. Omar Rose, both of this county, were united in marriage by Squire L. J. Fretwell in his private office in the court house yesterday afternoon.

Fiscal Court in Session.

The Bourbon Fiscal Court met yesterday and but little business was transacted. Judge Denis Dundon presided with the following magistrates present: Squires L. J. Fretwell, E. P. Thomason, R. H. Burris, J. J. Redmon, B. F. Stipp, O. B. Lloyd, J. N. Shropshire and George K. Redmon.

The report of the road supervisor C. F. Redmon, was presented to the court and ordered made of record. The sum of \$1,666.03 was ordered paid for work on the turnpikes of the county.

Miss Nannie O'Neal failing to avail herself of the sum of \$30 appropriated by the trustees of the Hamilton Fund for her education the court ordered that the sum be converted to Betsy Ray O'Neal and Grace McCord, each to receive an equal share. Accounts to the amount of \$743.18 were allowed and an order entered for the issuance of warrants on the county treasurer.

Jailer Joe Farris presented his report for the months of August, September and October which showed a balance of \$49.62. After appropriating \$60 for the use of the road supervisor for the month of November, court adjourned.

Noel Stivers Again Under Arrest

Noel Stivers, sent to the reform school at Greendale, near Lexington, because of his connection with several burglaries, who escaped from the institution last August and who has since been at large was taken into custody yesterday morning at 3 o'clock by Patrolman Fred Link, in a room occupied by his father in the Ficklen building on Main street.

The boy, who is aged about eighteen years, is confined in the county jail and will be returned to the reformatory. Since his escape he told the officers that he had been in Washington, Pittsburg and other large cities and returned to Paris about the middle of September. While here he worked with a street fair company that exhibited here, going away with them and later returning. He succeeded in concealing his identity by a moustache which he wore as a disguise.

It is believed by the police that Stivers was implicated in the robbery of the grocery store of A. W. Cottingham recently, where the cash register in the establishment was broken open and a small amount of money secured after an entrance to the building had been effected through one of the rear doors. It has been learned that he had been seen in the vicinity of the store on the night of the robbery.

Patrolman Link received information that the boy had been spending the nights at the Louisville and Nashville pump station and made an effort to locate him there, but without result, and later found him in his father's apartments. Last night he telephoned the authorities at Lexington of the capture of the boy and he will return him to the reformatory today. A reward which was offered for his apprehension will be paid to him.

Judge Harmon Stitt Is Honored.

At the organization of the Moose lodge in this city Wednesday night Judge Harmon Stitt, a member of the local organization, was appointed as Supreme Dictator of the Kentucky Loyal Order of Moose by Mr. W. C. Winsett, the State Organizer. The signal honor conferred upon Judge Stitt is also quite a compliment to the Paris lodge, which began its career Wednesday night, and the appointment carries with it the office of Deputy Supreme Dictator of the World.

Magistrates Make Handsome Gift.

The members of the Bourbon Fiscal Court yesterday presented to Judge Denis Dundon, of the county court, a handsome Sheffield tray and a beautiful cut glass punch bowl as a wedding present. In the tray were engraved the names of the magistrates who made the gift, which is an attestation of the high esteem in which he and his estimable wife are held by that body. Both articles were furnished by the jewelry firm of A. J. Winters & Co.

She makes it best who, looking after the culinary department, turns her back resolutely upon unhealthful, or even suspicious, food accessories. She is economical; she knows that true economy does not consist in the use of inferior meat, flour, or baking powder. She is an earnest advocate of home made, home baked food, and has proved the truth of the statements of the experts that the best cooking in the world today is done with Royal Baking Powder.
